About the presenter

Clare Guilding is Professor of Pharmacology & Medical Education at Newcastle University, UK. She is Director of Education and Deputy Head at the School of Medicine, and Admissions Lead for Medicine.

A neuropharmacologist by background, her current focus is on education innovation, leadership, and research. She supports pharmacology education externally through her role as Chair of IUPHAR's Education Section, Vice President (Academic Development) of the British Pharmacological Society (BPS), Deputy Director of the Pharmacology Education Project and co-lead with Professor Paul White of the IUPHAR Core Concepts in Pharmacology project.
