SAAHE EC Presents

Use of Game-Based Learning in Health Professions Education

Register in Advance

Speakers: Dr Riaan van de Venter, Dr Teri-Lynne Fogarty, Mr Daniel Brink, and Ms Celeste Naude

In this webinar the concept of game-based learning (GBL) in health professions education will be explored. The application of GBL in a pharmacy and an emergency medical care context will then be discussed.

July 24, 2024
18:30 - 19:30
